

Security organization worksheet

| Part 1: Describe your security interests |
|---|
| <ul style="list-style-type: none">• Penetration testing• Data log analysis• Protecting sensitive data |
| Part 2: Identify three organizations and include their mission or objectives |
| <ul style="list-style-type: none">• Redfox Security: The main objective for Redfox is to strengthen security posture of businesses.• SAIC: Military organization with multiple focuses on security• Crowdstrike: Their mission is to protect data from breaches and leaks. |
| Part 3: Write out which organization aligns with your interests and why |
| <ul style="list-style-type: none">• Redfox Security: The main goal of the organization is to reinforce security posture. This organization will be more focused on consulting for security measures and identifying and managing risks.• SAIC: Good starting point for an opening role in cybersecurity. They offer roles in all potential security interest points.• Crowdstrike: This organization seems to have a strong standpoint on protecting sensitive data.• Best choice for my professional interests: SAIC would be the best starting point for me to grow and refine my skills as a entry level cyber security analyst or similar role. |
